Unique Foundation has been supporting the fight for Cancer for over 21 years. We are proud of the fact we can celebrate life providing beautiful Music & Dance performances by Talented Professionals volunteering their time for our cause. All our dedicated volunteers & staff give of their time and expertise 100% free of compensation with a kind and charitable heart so that all your generous donations can go directly to the Lombardi Cancer Center at Georgetown Medical Center.

You are cordially invited to join us for an Evening of Beautiful Music & Dance Performances
